Ohio boating laws apply to all paddlers in Ohio, including visitors from other states. Please be aware of Ohio Revised Code and Village Code regulations.

- ORC 1547.54 All boats—including canoes, kayaks, motorboats, and most inflatable boats— must be registered. Ohio law requires that a boat's registration be carried onboard the boat. Bring proof of residency if you are visiting from a state that does not require canoes or kayaks to be registered.
- ORC 1547.25 U.S. Coast Guard-approved life jackets are required for every person onboard. They must be in serviceable condition and correctly sized for the wearer.
- ORC 1547.24 Children under the age of 10 are required to wear a properly fitted, US Coast Guard-approved life jacket at all times while on a boat under 18 feet in length.
- ORC 1547.11 Operating any boat under the influence of alcohol or drugs is prohibited.
- ORC 1531.29 Disposing of any item considered to be litter in any ditch, stream, river, lake, pond, or other waterway is illegal.
