Actionable Items

Please provide a list of actionable items for the agenda.

- EMS needs a new cable and requests approval for \$1400
(Steph, I asked them for a quote to provide for an exact amount and you should hopefully receive that. If not no worries, \$1400 is below our threshold for Kathy's privileges) *Fiscal Officer Response: Even if something is below the threshold a PO still needs to be in place prior to the order.*
