Reports:

Sexton – Harold was not in attendance.

We did receive the new quote for the mower repairs & maintenance, however, the labor increased by \$220.00. Jodie will ask Harold to get an explanation for the increase. The new quote with the increased labor charge is \$2,148.10.

Council/Mayor - Nothing to report.

Jodie did ask the status of the future of the cemetery board's legal advice. Mayor hasn't received an answer from the solicitor at this time. Jodie indicated that Corey Speweik is willing to work with the cemetery at a cost of approximately \$200 per hour. A major reduction from his usual per hour fee.

Also, asked Mayor about the status of the liaison position. He indicated that the new liaison is Councilman Craig Warner. The Mayor indicated that he will be leaving the decision up to the board as far as the liaison's attendance at the cemetery meetings. The board indicated that as long as Craig is ok with it, they would like to leave as is. Craig was in agreement. He will be attending the cemetery board meetings and reporting high lights at the following council meeting.

Old Business:

1. Attorney Corey Speweik prepared a legal document concerning the Spoerl marker. The board has reviewed the document. Robin made motion, Brenda second the motion, to approve the document for presentation to Jane Spoerl. All in favor. The document was then presented to Ms Spoerl and read aloud for those in attendance. Jane would like to present to her legal counsel for review before signing.
2. The rules changes/updates were again discussed. Jodie will make copies of the current rules, the proposed modifications from last summer, and copies of the rules from many of the surrounding cemeteries in the area. These will be distributed to the board members before the next meeting for their review/suggestions/ideas, etc.

3. New signs were discussed and the changes that will need to be made to them. Jodie will get quote for the next meeting.
4. The posting of the rules were discussed also. It was suggested that a QR code be added to the sign that the rules and other pertinent information will be included on instead of actually posting the written rules.

New Business:

1. Meeting/Guest Policy was discussed and the need for a policy to alleviate any issues addressing/not addressing the public at meetings. Jodie printed some information and shared with the board. They will review for additional discussion at the next meeting.

There being no further business, the meeting was adjourned.
